Membership Details

Pekarek's Produce invites you to receive fresh, seasonal, flavorful, healthful vegetables. We select vegetable varieties for their taste, raise them under the best possible conditions, pick them at the peak of ripeness, and carefully wash and pack them for you.

Pekarek's Produce Veggie Subscription involves you pre-paying for a *full share* (\$23.00 per week) or a *part share* (\$14.00 per week). Each week, June 7 through October 4, we throw in a few extra dollars worth of extra produce over the regular retail price, so you get a fantastic value for what you pay.

BOX SIZES

Choose between two share sizes to receive in your deliveries. Our **full share** size typically contains a variety of vegetables similar to those in the sample box. The **partial share** will have approximately half the vegetables found in the full share.
